Foreword

There has been a long time need to know the details of performing Sahasra Shiva Lingarchana especially to those who have no ready access to the Procedure and the Text of Relevant Mantras. Having condensed the Maha Linga Purana in English-besides Shiva-Skanda-Markandeya and several other Puranas -which had all been blessed by HH Vijayendra Saraswati of Kanchi Mutt as included in the website of kamakoti.org/news/Articles Section- the task of trasliterating the relevant Mantras involved and a suggestive outline of the ‘Vidhana’ of the Sahasra Lingarchana is attempted by actually performing it and trying to understand the methodology.

Indeed, the appropriate procedure and text of the Mantras originally in Sanskrit as transliterated into English may not be effective enough especially from the view point of pronunciation, intonation and rendition but may somewhat serve the purpose of general guidance. Hopefully, an idea of what Lingarchana is all about would inspire several Devotees to perform and accomplish their ‘Purusharthas’.

Annexures to this Book-let provide Sanskrit versions of Maha Nyasa and Namaka-Chamaka for reference.

I am grateful to HH Vijayendra Saraswati Swami to have influenced me to turn a new leaf of my spiritual part life.

(Bhagavan is signified as with thousands of heads, eyes and feet who is omni potent, omni scient and omni-present occupying Universe in totality, yet is contained in hardly ten inches. He is the complete knowledge of what existed before and what would happen ahead. He is the only one who could bestow the State of Bliss far from the cycle of deaths and births since he is aloof from fictitious existence. Whatever is appearing in the Universe is all his magnificence but He is far more superior; only a quarter of the known Universe is stated to exist and the remainder is beyond it. It is in this existence that He is present all over. That Original Energy called Bhagavan who created the Brahmanda also materialised Brahma who in turn was responsible for the creation of Bhumi and other Worlds and various Beings including Devas and human beings. Devas performed Sacrifices/ ‘Yagnas’ and made possible the production of Time and Six Seasons or Ritus each Year: Vasanta as

the Offering of Ghee , Greeshma as the offering of Wood and Sharat Kaala as Naivedya. As a follow-up to this Yagna, Pancha Bhutas or the Basic Five Elements as also Light and Darkness / Day and Night as Kaala Maana or the Time-measurement got created as the boundaries of the Homa Kunda as the Existence. Then twentyone Tatwaas viz.Five Elements; Five Jnaanendriyas of the abilities of hearing, tasting, eating, touching; Five Karmendriyas of Eyes, Nose, Tongue, Mouth, Skin-Five Ahankaaras of Consciousness, Buddhi, Trigunas and Mind besides Praana were materialised as other ‘Samidhas’; Brahma Himself became as the Homa Pashu or the Animal to this Unique Yagna! He was also the Yagna Purusha. After prokshana/ sprinkling water in the Homa Kunda in which Brahma was the Yagna Purusha, Deva-Saadhyas and others resumed the Yagna and then were materialised curd and ghee mix. Brahma too resumed his task of Creation and materialised birds, animals like deer, tigers, and domestic animals too. In this Original Yagna of the Universe, Richas or the Stanzas of Rig Veda, Saama Veda Mantras, Chandas or Prosodies like Gayatri [with Six Aksharas / Letters, Ushni Seven Letters, Anushtup with Eight Letters, Brihati with nine Letters, Pankti in ten Letters, Tushtup with eleven Letters and Jagati with twelve Letters] besides Yajur Veda too got manifested. From the Yagna Kunda itself, Brahma created animals with two lined teeth, like horses, sheep, buffalos etc. Then there would be the query as to what all the countenances that Brahma assumed when he created various Varnas or Complexions; who were all among the human species that were materialised when he produced them from his own body parts! The reply would be that his face created Brahmanas, hands created Kshatriyas, thighs materialised Vaishyas and feet produced other categories. From His mind and thoughts emerged Chandra; Surya Deva from His eyes; from His nose were created Indra and Agni, while Vayu Deva emerged from His Praana or Life Energy itself! His navel was manifested the Antariksha or the Sky; Swarga sprang up from His own Head; Bhumi from His feet; the Dasha Dishas or Ten Directions of North-East-South-West besides the Sub-Directions and Sky as also the Worlds Below. Hence the Process of Creation by that Unique Paramatma or the Supreme Soul who is immensely Action-Oriented, Splendid, Most Powerful, Ever Lustrous like several Suryas and Blissful eternally forsaking darkness and gloom!)

Dhataa purastaadyamujaajahaara/ Shakrah pravidwaapradishasschatasrah/Tamevam Vidyanamrita Iha Bhavati/ Naanyah Panthaa Ayanaaya Vidyatey/ Yagnena Yagnamayajanta Devaah/ Taani Dharmaaani Prathamaanyaasan/ Tey ha naakam Mahimaanah sachantey/ yatra purvey Saadhyaaah santi Devaah/Adbhyah sambhutah Prithivyai rasaachha/ Vishwakarmanah samavartataadhi/Tasya Twashtaa vidadhadrupameti/ Tatpurushasya Vishwamaajaanamagrey/ Vedaahametam Purusham Mahaantam/ Aditya Varnam tamasah parastaat/ Tamevam Vidwaanamrita iha bhavati/ Naanya panthaa vidyateyanaaya/ Prajaapatischarati Garbhey Antah/ Ajaayamaano Bahudhaa viajayatey tasya Dheeraah parijaananti yonim/ Mareechinaam padamicchanti vedhasah/ Yo Devebhya Aatapati/ Yo Devaanaam Purohitah/ Purvoyo Devebhyo jaataah/ Namo Ruchaaya Brahmaye// Rucham Braahmam janayantah/ Devaa Agrey tadabruvan/ Yasvaivam Braahmano Vidyaat/ Tasya Devaa Asan Vashey/ Hreescha tey Lakshmischa Patnou/ Ahoraatrey Paarshvey/ Nakshatraani Rupam/ Ashvinou vyattam// Ihtam Manishaana/ Amum Manishaana/ Sarvam Manishaana// Om taccham yoraavrineemahey/

(That very Paramatma whom Brahma visioned at the very beginning and whom Indra witnessed him in all the Directions, He is the only One who could grant Moksha in this current Life itself to a Vidwan and indeed there is no other Path except that as dedicating one self to Him. When Devatas worshipped Him with veneration by executing Yagnas, then the Principles of ‘Dharma’ and ‘Nyaaya’ or Virtue and Nyaya were materialised. In the early series of Yagnas that were performed by Devas and Sadhyas, the Learned Rishis and Dharma Practitioners were able to accomplish Higher Lokas. It

was from the Essence of Earth and Water that the World comprising Fourteen Bhuvanas got materialised by Bhagavan , Brahma arranged and ship-shaped the Universe. It is that Pradhaana Purusha who is distinguished as brilliant with the lustre of Surya and as the Destroyer of darkness is glorious indeed. He is the Singular Supreme that is approachable by any body for Mukti. He is Unborn, Perpetual, Action Oriented and manifests Himself in endless Forms. Marichi and such other Maharshis who were fully conversant with what Paramatma was all about were ever anxious to reach the Ultimate Destination of His. So do the highly virtuous and intense practitioners of Dharma and serious Meditators seek that State of Bliss! Devas reiterated again and again that the distinguished Seekers of Paramatma enjoy the control of all the Devas too. The Embodiment of Modesty Hreem Devi and Lakshmi the Symbol of Opulence are both Bhagavan's close companions day and night by His two sides. Mahatma! Nakshtras on the firmament constitute your magnificent Physique and Ashwini Devas are signified with your glorious countenance. Devadhi Deva! Do fulfill our material desires and aspirations as well as bestow Eternal Bliss on the termination of our worthwhile lives, full of our proven faith in Dharma and devotion unto Supreme Yourself !).

(Agni Deva! We seek to churn the Soma Juices which are offered to you and worshipped with. Do burn off our sins and protect us from our various obstacles of Life and its vicissitudes. Devi Durga! You possess the complexion, radiation and radiance of extreme ‘Tapas’ or extaordinary power of meditation; we seek your asylum from our ever-ending problems and provide shield to us always. Agni Deva! You are indeed the Symbol of unending Fame and Auspiciousness; do grant us a life of fulfillments far away from sorrows and hurdles; may our surroundings, residences, villages, townships and indeed the Universe be bestowed with alround development; may we and our next generations be

happy and contented. Agni Deva! You are the One who could destroy our distresses as the saviour of those who sail in the boats of Samsara with harsh waves of existence around; do kindly recall the illustrious aspirations of Atri Maharshi who always prayed as *Sarvey Janaassukhino bhavantu* or Let Humanity as a whole be Happy! Atri Maharshi was himself beyond hardships of Life and was always desired similar Life to one all! We pray and welcome to Agni Deva- who is the personification of rightful indignation enflaming enemies and Evil Forces and uprooting them- to occupy the Head Chair in our midst and guide us as to counter the malicious and the wicked. Agni Deva! You are the embodiment of Yagnas and Homas since times immemorial and the most proactive Agent of propitiousness and integrity; we seek multi-sided fulfillment in our Life Time and indeed You are the Singular Provider to all of us in whom we firmly repose our trust and confidence in you totally! Bhagavan Agni! You are the Supreme Purifier of Sins and Indiscretions who is Omni Present , Omni Scient and Omni Potent as you are all merciful and unique pardoner and that indeed why we follow you relentlessly and resolutely. May you grant us the Blessings of Devis Katyayani, Kanya Kumari and Durga Devi);

(Bhagavan! You are Bhava the Originator and Rudra the Demolisher! You Create and also Destroy! Our prostrations to You as the Protector and Preserver all the Beings in the Universe kept in captivity. Neela Greeva! Your throat is blue but neck is white! Kapardini! You have matted hair and clean shaven; you have thousands of eyes and hundreds of bows; you are stated to reside in mountains but exist in the consciences of every Being; you shower benedictions as though they are rains! Some times you are like a ‘Vamana’ and as also as a Virat Purusha! You are magnificent, superb and glorious; You are adorable and ever expansive by litanies; He is all pervading and appears instantly. You are the most ancient and the Ageless and praised the highest as the Creator present far before

Srishti of the Universe; You are in the high waves of Oceans as also quiet waters or in inundations or islands; Bhagavan! You are the Eldest and the Youngest too yet unborn! None had ever existed before You and would give birth after You too; You are the One existing as Madhyama or in the intermission of Creation and Pralaya the Great Extinction; the intervening time is non existent. None ever existed behind or under You. You are the Creator of Virtue and Evil yet a vibrant and dynamic ‘Samsara’. You are the One who manifested Yama the Symbol of Death –yet Preserved and Protected till One’s death. You are the eldest and the youngest; none existed before you and the totality got manifested only after you; You are also the Madhyama present in the intermission after Creation -the Great Extinction at Pralaya and Punah Srishti or the Creation again in the Cycle of Life. None existed before or behind you or underneath. You are the Generator of Virtue and Evil alike yet Life has always been vibrant and changing. You are the One caused Yama the God of Death yet preserved and protected albeit in the intervals of existence. We are grateful to you for the gifts of Nature which again is generated and resuscitated from time to time; the prominent gifts include- Crops and Food, Farmlands and Trees; the climate and livable conditions; Sound and Echoes; Senas or defence Forces, our safety to move about fast and freely and speedy chariots to carry the warriors to destroy enemies. Devadhi Deva! You don military clothing, helmets and kavachas or body-shields for our sake. Our gratitude to you who is aptly praised by Vedas for materializing such worthy soldiers for our shelter and well being).

(Our prayers to you Maha Deva! For our sake again, You take the Form of War Drum and club; You would never show your back in battles and is highly calculative of war schemes; some times you assume the role of mediator [like Lord Krishna mediating between Pandavas and Kauravas] when Wars are ahead; You sport a sword and arrows when wars become inevitable as at the demolition of Tripuraasuras; then you are fully armed with most potent weapons. Bhagavan! You are present every where- by high ways to the narrowest lanes as also thin water to huge sarovaras, streams or water falls from high altitudes, swampy places or sludges, or fountains and wells; or Jeena Nadis or ever flowing Rivers like Ganga, or rain waters in the absence of rains.Rudra Deva! You assume the Forms of clouds and lightning or rains mixed with Sunshine in the Sharad Ritu /Autumn Season or Varsha/ Rainy season or rains cloud bursts or hail storms.

Our greetings to Soma Deva/ Rudra Deva! You appear with copper complexion and with red rosy lips; You are the symbol of joy auguring happiness to one and all as also the Pashupati or the Over Lord of all the Live Beings; You are terrifying and formidable to even look or glance capable of punishing unhesitantly of the enemies nearby or away; you are the most ruthless exterminator at the Time of Pralaya. Maha Deva! Your head hair remind us of to the Grand Trees and the green leaves signifying prosperity; You are the personification of Salvation and of Pranava Mantra; You are the Flagship of joy and contentment; You are Icon of Auspiciousness ‘par excellence’! You are the representation of the Blessed Tirthas of Sacred Rivers like Ganga and their banks; You are the magnificent Paramatma who is on the other side of the Ocean of Samsara and You are the Mantra which is germinated by the Knowledge of what you are all about that could ferry the lashing waves and reach you; You are the One who is present when we enter Samsara and inspire us to perform those ‘Karmas’ or Deeds as the Fruits in your Storage or the Destiny; You are every where-be it the grass on the banks or the foam of the water body waves hitting on the banks);

(Bhagavan! You are present in such odd places as salty and trampled , rocky and rough, and such others where none chooses to visit.Yet you rest with your matted hair as a headgear and appear relaxed before your devotees! You stay in go-shaalas and homes, reside in huge, deep jungles and impermeable mountain caves, through dust and hazy spots, alike in shrivelled deserts where no grass

or greenery is in sight, on Earth or fathomless Oceans; you are with hordes of Rudra Ganas around you with piercing tridents and other dreadful weapons ready to attack and smash. But Bhagavan! You are fond of encouraging Devas in our heart and bless them in your Virat Swarupa; indeed they are blessed and get entrusted with their responsibilities of administering the affairs of the Universe! Parameshwara! You choose to be poor despite your being the origin of opulence! You expose us humans to miserable conditions devoid of food and such other bare needs of livelihood to us, children, domestic animals! Neela lohita! We do realise that you are dispassionate and impartial and we ought to suffer and deserve retribution from the store of our misdeeds; Yet, do kindly pardon us as you are our unique shelter. May our sins be destroyed as we do desire to initiate a positive account of our selves here onwards and be worthy of our devotion to you. We will indeed truly seek to follow the foot steps of Manu and seek to deserve our prostrations to you. But as of now, Bhagavan! Do not torment us, our elders, babies and our entire generation. We beseech you Rudra Deva the fierce and ruthless to the Evil; yet, you are Shiva too the embodiment of Shubha and Mangala-auspiciousness and fulfillment. Do also advise to Devas to give full consideration in our favour too to help us and fulfill our wishes. While we make sincere supplications to you Maha Rudra! when you as a youthful Lion ready to destroy, let not your Ganas attack us but the Evil Forces; instead you do bless us and our family members even as diverting your weapons far away from us! May those Rudra Ganas loosen the strings and their bows be taken off from us by thousands of yojanas! Rudra Bhagavan! You possess thousands of destructive weapons in your thousands of arms and indeed You command all of them; but let not the weaponry turn against our faces!)

May your bow strings be loosened and bows be kept away thousands of yojanas from us! May the Rudra manifestations of green grass colour, the dark throat colour, the red complexion be all relax the bow strings and kept far aloof; May Rudras provide succor as food and water to and protect us from the Evil and restore the bows and arrows else where; May Rudras appear at our paths, roads and Sacred Tirthas and rest their bows afar; May Rudras with daggers and swords protect us but withdraw the bows and arrows; May Rudras enter our households and ensure our safety but certainly withdraw long shot arrows and their bows; May Rudras on Earth in Dasha Dishas or Ten Directions shover food and bounties, at Antariksha and all over too as our ten fingers meet in sincere salutations and prostrations; let the antagonistic faces and mouth be shut and let Peace and Contentment prevail all over the Universe. May the Three Eyed Parama Shiva spread fragrance all over, may all the Beings

The division of the Eternal Voice Stream was made possible by Brihaspati or Vachaspati who too is indeed praise worthy and to him again, our present Generations ought to grateful. The contribution of Rishis was no less significant as they converted the power of discernment into Mantras and we esteem them all as they were indeed the Mantrakartas. May this Society not refer to them in low and disparaging tones ever and save us from such situations! We salute the magnificent Rishis for their selfless and most generous contribution which was substantial as an outstanding gift to posterity! May we also be expressive and emphatic in our heartfelt faith in our prayers to Devas and Devis so that we deserve their mercy although they extend their kindness to us not as a reciprocation but due to their own elegance and generosity! May they all bestow their grace on us and enable us to deserve it even marginally! May Devas ensure and facilitate our daily deeds of ‘Karmaacharana’ without impediments and bless us all! (May the Matarisha Wind that blows in the Sky provide us enormous comfort; May Lord Surya too grant us such moderate Sunshine during the daytimes and let the nights too be pleasant. Let Usha Devi energize us with mild and cool mornings. Devi Saraswati! Do give us ample knowledge and sense of thinking and ensure that no difficulties face us ever. Mother Bhu Devi! You have Ida Devi in the Form of a Cow as your companion; We beseech you to let every Place on Earth be worthy of living with ease and cosiness and in the case of our families too , bless us to live happily and in such excellent environs of camaraderie and natural beauty. Vayu Deva! Do kindly grant us peaceful, healthy and exhilarating living as you are the world's outstanding Physician. You are also the Great Mediator of Devas and ourselves capable of blowing away or our ever mounting heaps of sins. Vayu Deva! You assume two extreme kinds of forms- one which is near the Huge Oceans and another far away on the high skies; One is violent with speed and dust and another is that of serenity and peaceful pleasantness; kindly provide us with that very distinguished form of soothing comfort and healthy well being! Bless us to bestow showers of Amrit that supply us sufficient food, medicines, energy, brightness, and over-all well being. May we beseech you Aditya Mandala to bless us! May Bhumandala, Bhuvarloka, Swarloka, bless us with such unusual physical strength to even smash rocks and boulders! We seek the indulgence of Prajapati Deva to let us secure free access to Brahma Kosha and draw us Mantras. May Paramatma Swarupa Omkara be pleased with us! May Antariksha reserve space to me for rest us in Peace providing fruitful happiness as on the top of Meru mountain and nearby the Garhapatyaadi Agnis and purify our Antahkaraas or the Inner Consciences! Also may the the two important Prana and Apa Vayus save us from untimely deaths. May Agni Deva bestow on us the mental acumen to learn and hold excellent memory power! May Lord Indra provide ideal progeny, visual power and 'Deepti jaata' or lustre generated faculties. Ashwini Devatas! May we be resourced with Anjana Hetu Dravyas or 'Ghrita Purvaka' material or ghee draped items and Suktas

that produce such raw materials. May Mitravaruna, Aditi the Mother of Devas, Sapta Samudras, Prithivi, Dourloka Swarga, and Pajapati related materials all be generated for our fulfillment . Let the fruits of the ‘Vichitra Yagnya’executed by Prajapati himself for Loka Kalyana be bestowed as would fulfill me past, present and Future requirements all the Beings in the Universe! Devendra! Kindly recall the instances of distinguished Rishis of high intellect and maturity being Trikala Vedis themselves- some of whom were like birds able to use their wings with free access to all Lokas-approached you to enlighten them about the Unknown Truth of what Bhgavan was all about; now what are we with no clues of what exists and what does not ! Uduka Devatas! We beseech you to flow with such sweet and healthy waters and remove our constant difficulties of either famines or floods! We pray to you sincerely to grant us such incessant flows which are surfiel with medicines ensuring health and sin blowing happiness. You are the manifestations of the Supreme that facilitates clean bodies and transparent hearts being the proven destroyers of evils and sins and the singular source of ‘Bahyantara Shuchi’or External and Internal Purifiers! Jala Devataas! Do afford us such Unique Rasas or Juices which purify our hearts and those of our progeny! Prithvi Devi!You are the embodiment of Kshama or Forgivenes and Kshamata or Resilience; together with Agni Devata, you are the outstanding Shanti Devata or the Goddess of Peace and Tranquility! Yo also control the vagaries of Vahu Deva! May such unique boon of Creation called ‘Akaasha’bestow the boon of Peaceful Existence to all of us mortals! Dyoursevi! You are indeed another significant generative factor of all the Beings in the Creation of Almighty! In fact, all the Devatas like Pancha Bhutas or the Five Elements of Earth-Water-Fire-Air-and Sky are our Supporters of Life and Supreme Agents of Paramatma together of course with Aditya and Chandrama! May all these Divine Energies which are basically Peaceful Sources of our Existence. Added to these are Nakshatras, Aoushadhis, flora and fauna, Vaaspatis, animals like cows, goats, and horses, Vedas, Brahmanas, co-human beings, are all variations of Maha Maya. May these afore - mentioned sources and innumerable other forms of the Super Natural Power which basically are Peaceful Entities of Almighty bless us with ‘Shanti’. Shanti Devata represents all these agencies of Peace and we look to all of them to obliterate ‘Arishtas’ and enjoy peaceful existence to pursue Dharma and Nuaya/ Virtue and Justice without obstacles. May Shanti Devata dominate in our daily lives and guide us ideally! Let all the divine forms of Shri-Hree-Dhriti-Tapas- Medha-Pratishtha-Shraddha, Satya and Dharma ie. Prosperity- Auspiciousness-Patience-Meditative Energy-Intellect-Reputation- Flexibility of behavior-Truthfulness-Virtue be harnessed in out favour to result on the climax of Shanti or Peace and Placidity only after the conclusion of my Karaanta! I am able to address Gods and stand up and move around as an Entity and let not the attributes of Shanti deprive their company from me! Let me be blessed with Longevity with perfect physical and mental health. I promise to deserve the four factors of existence viz. Deerghaayu or Longevity, Roga Rahitya or Freedom from Ill- health, Aoushaddi Rasa or the essence of herbs and medicines and the cause of Aoushadi Rasa viz. Megha Rasa or ample rains and fertility of Nature. May I enjoy the grand sight of the all-beneficient Surya Mandala every morning for a minimum of hundred years! May Lord Surya bless me with daily fulfillment all through my existence! May my daily activities be totally hassle-free! Even as I am equipped to the vision of Surya every morning for hundred years, may Surya Deva purify and enlighten me with brightness of body and mind so that I am saved from darkness in my dealings resulting in sins and blemishes. May Vedas strengthen my faculties and body parts of ears,eyes, tongue and mind to read and practise as also absorb the inherent meanings and guide us to rightful actions. This magnifecent Universe is indeed the handi-work of

Paramatma and Vedas provide effective means of what that Paramatma is all about. Hence may all my abilities and aptitudes-however limited or large they might be-be cycled to the utmost limits and be delved deep to undersand Praramatma and tread cautiously on the lanes and byelanes of Dharma by cogitating on the inner import of each line of the innumerable stanzas of Veda to the extent that they are available and recovered from the times immemorial! May Vedas not ignore and desert me! May my Dharana Shakti or the Absorptive Capacity be substantially enhanced and may my life span be extended to enable and achieve higher goals. My Lord Indra be pleased to facilitate my well being and extend my Life Force to create conditions of sustaining my health such as timely monsoons, fertility of Land and crops and so on. With a sound body and mind thus to be strengthened by the grace of Indra, may we be able to learn more and more of Vedas and through them of Parabrahma Tatwa!)
